## **AUTHORIZATION LETTER**

To whom it may concern, I am Noel Mayor a subscriber of your company. I wrote this letter to authorize my son Neil Mayor to change our DSL service from our current plan to that of Bundle Plan 1299.

I apologize that I will not be able to present myself due to the reason that I am currently living in our provincial house far from where the subject DSL service is connected.

I hereby allow Neil Mayor to sign any documents regarding this request on behalf. I have no objection on this authorization.

Rest assured that I take full responsibility for this authorization.

Attested to this letter are my IDs for identification purpose. I hope for your kind consideration.

Sincerely yours,
